

**Non-Executive Management Committee Position – The Toybox Centre Inc.  
t/as “Bridges for Learning”  
Southern Highlands NSW**

About us:

Bridges for Learning (**BFL**) is an established not for profit community organisation based in Bowral in the Southern Highlands of NSW which provides a range of therapy, early assistance and support to children 0-15 years who experience a range of developmental issues, additional needs or disabilities, including children with Autism Spectrum Disorders - as well as providing support to their families.

Professional staff at BFL include speech pathologists, occupational therapists, a physiotherapist, early childhood intervention teachers and a psychologist and the client base covers Goulburn, Wingecarribee and Wollondilly regions.

Further information in relation to our services are available on our website [www.bridgesforlearning.org.au](http://www.bridgesforlearning.org.au)

The Management Committee of BFL are looking for new members who:

- preferably (but not necessarily) with a background in accounting and financial management, experience in the governance of NFP organisations and/or industry experience;
- possess strong professional and ethical values that align with BFL’s vision and values; and
- are interested in volunteering their time to advance the welfare and development of children and their families in the Southern Highlands.

The Committee meets monthly in the evening in Bowral.

If you are interested, please contact Dr Murray Luddington c/- email [manager@bridgesforlearning.org.au](mailto:manager@bridgesforlearning.org.au) to arrange a confidential discussion.
